

# Quietway 5 Waterloo to Norbury

We are conducting this local engagement jointly with the London Borough of Lambeth along the route from Vauxhall to Lansdowne Gardens.

This section of the route begins at the Kennington Lane entrance to Vauxhall Pleasure Gardens before heading east on Harleyford Road. The route turns southwest adjacent to The Oval on the existing LCN3 cycle route via the Ashmole Estate shared-use path. The route continues southwest on LCN3 on Meadow Road before eventually crossing South Lambeth Road at Aldebert Terrace. The route turns south at Lansdowne Gardens and continues to Clapham Common via Larkhall.
